**Saturday, May 11
11 a.m. to 4 p.m.**

**Marana High School Cafeteria
12000 W. Emigh Road, Marana**

A NEW freeway has been proposed at the doorstep of the Arizona-Sonora Desert Museum that will destroy wildlife habitat and connected open space. It will harm Saguaro National Park West, Tucson Mountain Park, Ironwood Forest National Monument, cultural resources, scenic views in parks, and serenity, and cause air, noise & light pollution. NO studies have been done on the environmental and cultural impacts of this expensive project.

Our quality of life, our wildlife, our public lands, and economy are at stake.
